MEMORANDUM FOR THE RECORD

25X1A SUBJECT: Conversation with Jim Woolsey, Senate Armed Services
Committee Staff, re []

25X1A 1. Talked with Jim Woolsey, Senate Armed Services Committee
staff, and advised him that [] had met with one of our employees
25X1A and given him, for transmittal to the Agency, a copy of a letter which
[] said he was sending Woolsey. I asked Woolsey if he had received
such a letter and he said he had not. He went on to say, however, that
25X1A the letter was probably written as a result of a suggestion which he had
made to []

25X1A 2. Mr. Woolsey said [] had felt Senator Symington had not
given him a full opportunity to speak out about his Agency problems when
he appeared before the Senate Armed Services Committee. As a result
Woolsey told him that if he wanted to make a statement as a matter of
record with the Committee, he (Woolsey) would be happy to receive it
even though it would not be printed in Mr. Colby's confirmation hearings.

25X1A []

25X1A of their conversations. Woolsey asked me if I regarded any of the informa-
tion in [] letter as classified or otherwise sensitive in the event
25X1A [] should put it in the hands of members of the press. I told him I
would consider the letter sensitive from that standpoint. Woolsey said he
25X1A would let me know if he heard anything further from [] or received
the letter from him.
